◀ INTRODUCTION ▶

With over 65 years of flawless track record of quality and trust, N. Mehta & Co has established itself as the leading dealer for a wide range of industrial and construction machinery. Our product profile spans over PUMPS (water transfer pumps, chemical transfer pumps, dosing pumps, oil gear pumps, progressive cavity pumps etc.), CONSTRUCTION EQUIPMENT (compactors, vibrators, concrete cutting machines, needles etc.), ENGINES (for all non- automobile application, diesel/Petrol) as well as accessories required for above applications.

At N. Mehta & Co, we offer our clients 360 degree service - assisting them right from product selection to providing spares and after-sales service. Our wide range of products, professional approach, and philosophy to only recommend and deal in high quality products has set us apart of our competitors. We have consistently been the chosen supplier to numerous esteemed manufacturing and construction companies.

Trust and goodwill cannot be built in a day. We have dedicated more than 65 years into building ours!

◀ PRODUCT PROFILE ▶

CENTRIFUGAL WATER PUMPS ▶

Applications:

Used for all water transfer applications.

Industries:

All Industries.

Our Range:

Monobloc, Submersible, Self-Priming, Vertical-Inline, Multi-Stage, End Suction, Pressure Booster, Engine Driven Pumps etc.

Dealing In:

Kirloskar Ltd, Toshio Ltd, Crompton Greaves Ltd, Ellen Ltd, Greaves Cotton Ltd.

DOSING PUMPS ►

Applications:

Used exclusively for all applications requiring precision volume and controllable flow.

Industries:

Water Treatment / Sugar / Oil & Gas / Pharma / Food & Beverage / Automotive / Steel / Textile / Paint etc.

Our Range:

Diaphragm or Plunger operated, Electronic or Motor Driven.

Dealing In:

Milton Roy India (Ingersoll Rand).

INDUSTRIAL PUMPS ►

Applications:

Used for transfer of all types of industrial chemicals, sludges, high temperature or corrosive liquids, viscous liquids etc.

Industries:

Pharma / Oil & Gas / Food & Beverage / Steel / Textiles/ Paints etc.

Our Range:

Progressive Cavity Pumps, Chemical Transfer PP/SS Pumps, AODD Pumps etc.

Dealing In:

CNP Ltd, Hydro Prokav Ltd, Ingersoll Rand (ARO).

ROTARY OIL GEAR PUMPS ►

Applications:

Used in all industrial applications such as transfer of petroleum products, vegetable oil, molasses, juices, syrup etc.

Industries:

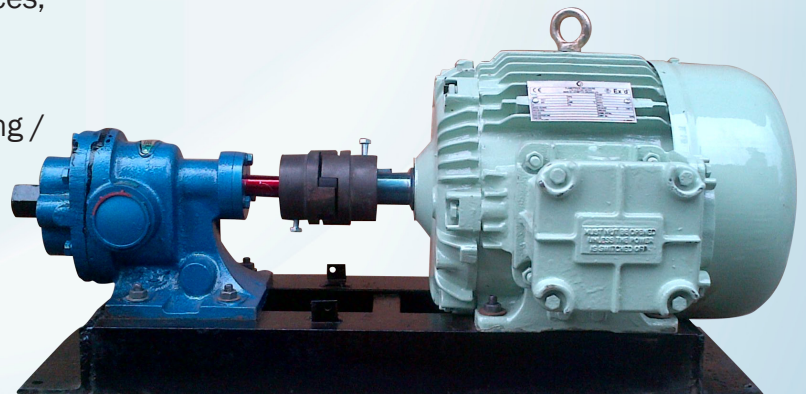

Oil & Gas / Food & Beverage / Steel / Engineering / Automotive etc.

Our Range:

Single or Twin Helical type, Internal or External Gear type.

Dealing In:

Rotodel Ltd (Del), Rotofluid Ltd. Apex Ltd.

CONSTRUCTION EQUIPMENT ►

Applications:

Used for earth compaction, road building, mixing, drilling, etc.

Industries:

Construction / Infrastructure / Heavy Engineering.

Our Range:

Electric, Petrol, or Diesel driven Vibrators, Earth Compactors, Rammers, Needle Sets, Concrete Cutting Machines, Safety Gears, etc.

Dealing In:

Able Industries Ltd, Greaves Cotton Ltd.

ENGINES ►

Applications:

Used in numerous non-automotive applications such as powering construction equipment, gensets, water pumps, fire-fighting pumps etc.

Industries:

Construction / Infrastructure / Agricultural etc.

Our Range:

Diesel, Petrol or Kerosene Driven, Electric or Rope Start, Stationary or Portable.

Dealing In:

Greaves Cotton Ltd.

ACCESSORIES ►

Pulsation Dampeners, Calibration Pots, Back Pressure Valves, Pressure Relief Valves, Rotameters, Flowmeters, Cartridge Filters, Filter Bags, Multiport Valves, Fittings etc.
